

SUPPORT THE URGENT HAZARDS MAGAZINE FINANCIAL APPEAL!

For approaching fifty years *Hazards* has been the workers' health and safety magazine. Independent, uncompromising and uncompromised.

Recently, and at very short notice, *Hazards* lost a large chunk of its core income. To keep fighting for your lives, we are fighting for our own.

Please become a Friend of *Hazards*.

Make a regular monthly, yearly or one-off donation – and subscribe to the magazine.
